Programme overview

A 12-month ZELVU Business operating programme for founders and business owners who need ongoing help across changing priorities. Includes access to all published Business programmes during active access, Business Needs Diagnostic, implementation tools, AI Teacher support and a paid-client AI Business Partner for startup, sales, marketing, pricing, finance, cash flow, operations, SOPs, HR, AI automation, MSME growth and international business. AI guidance supports decision-making but does not replace qualified professional or current official verification for legal, tax, regulatory or high-stakes financial matters.
