Dairy Technology - Academic Support

Higher Education · Undergraduate / Agriculture & Food Sciences

One-time full-course fee

INR 4,999

Access

12 months course access

Study plan

4 years · 8 semesters

Learning format

Online academic learning support - reading, Course Tutor and practice

Programme overview

4 years · 8 semesters. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. This is supplementary academic learning support, not admission to or award of a university degree. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

1. This is supplementary academic learning support, not admission to or award of a university degree.
2. The duration describes the standard full-time qualification route, not the number of months purchased on ZELVU. University paper names, semester order, electives, admission rules and batch-specific regulations must be checked separately.

Published topics and learning focus

1. Year 1: Chemistry and microbiology; Engineering mathematics; Dairy chemistry; Measurement and safety
2. Year 2: Milk processing; Heat and mass transfer; Dairy microbiology; Food engineering
3. Year 3: Dairy products; Quality assurance; Process control; Plant utilities

4 Year 4: Dairy plant design; Enterprise economics; Quality systems; Institution-supervised industrial project

Before you choose

1 These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.

2 ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.

3 Current checkout terms and refund policy apply. Payment and access require successful provider verification.
