Programme overview

B.Tech. Food Technology: 4 years; a B.Sc. route may be 3/4 years - confirm the award. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. This is supplementary academic learning support, not admission to or award of a university degree. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

- 1 This is supplementary academic learning support, not admission to or award of a university degree.
- 2 This legacy title does not specify B.Tech. or B.Sc. The displayed four-year engineering study map must not be treated as the duration of every Food Technology qualification. Confirm the university and award first.
