Programme overview

Six original written lessons on APA 7 attribution, quotations, books, chapters, journal and digital references, manuscript auditing and an answered capstone. Includes worked exercises and scored self-assessment; suggested study time is not recorded video time. 6 self-paced written English lessons with original examples, practical exercises, explained answers and a self-assessed capstone. Optional automated Course Tutor assistance is available in the protected LMS. Independent ZELVU practical study. Software licences, official style manuals, live human teaching, individual marking, recorded lecture series, external accreditation and journal publication are not included. Follow the required institution or journal guide and verify source metadata; examples labelled fictional are for formatting practice only. These same specialist lessons are included openly in the Academic Referencing Complete Course. Choose this focused APA course or the complete path; buying both is not necessary for this material.

Who this is for

1. Basic academic reading and access to a word processor. No previous citation-manager knowledge is required.
2. Use a personal practice manuscript and permitted, non-confidential source records.

Published topics and learning focus

1. Build accurate author-date citations
2. Handle quotations, paraphrases and supplementary notes
3. Build book and chapter references from verified metadata
4. Reference journal articles and digital sources honestly
5. Audit the complete reference list and manuscript links
6. Capstone: repair an APA article and defend every correction

Before you choose
