Diploma, Vocational & Skills / Vocational - Forklift & Warehouse Safety

<p>One-time full-course fee</p> <p>INR 1,499</p>	<p>Access</p> <p>12 months course access</p>
<p>Study plan</p> <p>Self-paced theory and written practice; 12 months access</p>	<p>Learning format</p> <p>11 listed written lessons with practice and self-assessment. Pedestrian and rider BOPT distinctions, trapping points, pallet compatibility, charging awareness and transfer planning. All 11 listed written lessons, worksheets and answered self-assessments are included. 7 foundation readings overlap related courses; compare outlines before buying. Online theory and self-assessment only. No practical driving, workplace assessment, operator licence, employer authorisation, accredited qualification or job placement is included. Do not operate equipment on the strength of this course. 7 readings are shared with related courses; compare lesson lists before buying overlapping programmes. Not included: Hands-on machine operation, practical assessment and workplace authorisation; Operator licence or accredited NSDC, LSC, NCVET, OSHA or other qualification; Live classes, equipment hire, job placement and machine-specific repair or rescue training.</p>

Programme overview

Pedestrian and rider BOPT distinctions, trapping points, pallet compatibility, charging awareness and transfer planning. Online theory only; practical training and assessment are separate.

Who this is for

- 1 Intended for adult learners aged 18+; basic reading and numeracy are needed.
- 2 Read the theory-only scope before purchase. Actual operating eligibility and fitness must be checked separately.
- 3 Related courses share foundation readings; choose the course matching your equipment.
- 4 Not included: Hands-on machine operation, practical assessment and workplace authorisation
- 5 Not included: Operator licence or accredited NSDC, LSC, NCVET, OSHA or other qualification
- 6 Not included: Live classes, equipment hire, job placement and machine-specific repair or rescue training

Published topics and learning focus

- 1 BOPT: pedestrian, rider and manual truck distinctions
- 2 Pedestrian operating space and trapping points
- 3 Pallet compatibility and transfer platforms
- 4 Cumulative self-assessment and practical-training handoff

Before you choose

- 1 These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
- 2 ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
- 3 Current checkout terms and refund policy apply. Payment and access require successful provider verification.
