Programme overview

5 years total · 4 academic years + 1 compulsory internship. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. This is supplementary academic learning support, not admission to or award of a university degree. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

- 1

This is supplementary academic learning support, not admission to or award of a university degree.
- 2

The standard qualification duration is shown separately from purchased LMS access. Professional phases are not necessarily twelve-month years or university semesters. The topics below form a ZELVU reference learning map, not a certified reproduction of every university's syllabus. Confirm the institution, admission batch, current regulator curriculum and practical requirements. Clinical training, laboratories, placements and professional registration are not provided by this online academic support.

Published topics and learning focus

- 1 Year 1: Anatomy and histology; Physiology and biochemistry; Dental anatomy and oral histology; Academic laboratory safety
- 2 Year 2: General pathology and microbiology; Pharmacology principles; Dental materials; Pre-clinical dental theory
- 3 Year 3: General medicine and surgery theory; Oral pathology; Oral diagnosis foundations; Clinical evidence and communication
- 4 Year 4: Dental specialty theory; Public-health dentistry; Professional ethics; Research appraisal and examination integration
- 5 Compulsory internship / approved placement: Institutional approval and supervisor; Approved practical / clinical logbook; Professional conduct; Institutional assessment

Before you choose

- 1 These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
- 2 ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
- 3 Current checkout terms and refund policy apply. Payment and access require successful provider verification.
