Programme overview

B.Ed. standard two-year graduate-entry route; verify batch-specific alternatives. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. Check the exact NCTE-recognised programme and entry qualification. School internship and supervised teaching cannot be replaced with LMS reading. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

1. Check the exact NCTE-recognised programme and entry qualification. School internship and supervised teaching cannot be replaced with LMS reading.
2. The duration describes the standard full-time qualification route, not the number of months purchased on ZELVU. University paper names, semester order, electives, admission rules and batch-specific regulations must be checked separately.

Published topics and learning focus

1. Year 1: Learner development; Education and society; Subject foundations; Observation and inclusive practice
2. Year 2: Curriculum and pedagogy; Assessment; Lesson planning; Institution-supervised school experience
