Online academic learning support - reading, Course Tutor and practice

Programme overview

5 1/2 years total · 4 1/2 academic years + 1 compulsory internship. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. This is supplementary academic learning support, not admission to or award of a university degree. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

- 1 This is supplementary academic learning support, not admission to or award of a university degree.
- 2 The standard qualification duration is shown separately from purchased LMS access. Professional phases are not necessarily twelve-month years or university semesters. The topics below form a ZELVU reference learning map, not a certified reproduction of every university's syllabus. Confirm the institution, admission batch, current regulator curriculum and practical requirements. Clinical training, laboratories, placements and professional registration are not provided by this online academic support.

Published topics and learning focus

- 1 First professional phase: Anatomy; Physiology and biochemistry; Historical homoeopathic concepts; Evidence literacy and professional ethics
- 2 Second professional phase: Pathology and microbiology; Forensic medicine theory; Historical materia medica study; Research appraisal

- 3 Third professional phase: Clinical subject theory; Public-health foundations; Repertory as a traditional system; Critical evidence evaluation
- 4 Fourth professional phase: Academic subject integration; Community health; Professional ethics; Research and examination preparation
- 5 Compulsory internship / placement: Institutional eligibility and supervision; Approved placement logbook; Professional ethics and reflective record; Institutional assessment and completion evidence

Before you choose

- 1 These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
- 2 ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
- 3 Current checkout terms and refund policy apply. Payment and access require successful provider verification.
