## Programme overview

3-year bachelor's route / 4-year honours or research route, where offered. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. This is supplementary academic learning support, not admission to or award of a university degree. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

## Who this is for

- 1 This is supplementary academic learning support, not admission to or award of a university degree.
- 2 Confirm the exact university, award, admission batch, major/minor combination and current syllabus. A fourth-year route is conditional on the university's regulations and eligibility; it is not automatically included in every three-year award.

## Published topics and learning focus

- 1 Year 1: Measurement and scientific method; Mathematics for science; Selected physical / life sciences; Laboratory safety
- 2 Year 2: Selected major and minor core; Data analysis; Scientific computing; Experimental interpretation

- 3** Year 3: Advanced selected subjects; Interdisciplinary applications; Scientific writing; Capstone
- 4** Year 4 - optional honours / research route: Approved advanced major; Research methods; Supervised investigation; Honours / research dissertation

## Before you choose

- 1** These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
- 2** ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
- 3** Current checkout terms and refund policy apply. Payment and access require successful provider verification.
