Programme overview

Original English self-paced written skill training in CPPP/NIC tender analysis, DSC readiness, technical covers, BOQ preparation, submission evidence and a fictional capstone. All practical work is simulated and self-assessed; no real submissions, live human classes, government affiliation, certificates or tender-win promises are included. 6 self-paced written English lessons with original worked examples, practical tasks, explained answers and a self-assessed capstone. Optional automated Course Tutor assistance is available in the protected LMS. AI-authored with independent AI editorial checks; independent human academic review is not included. Independent ZELVU skills study using fictional simulations. No government affiliation, official portal certification, tender award, registration approval, live human instruction, individual human marking, recorded video lecture series or actual bid-filing service is included. DSCs, software, portal charges, tender fees, securities and business execution costs are separate. Check current official portal guidance, applicable policies, corrigenda and the exact tender before real use. This focused course is included in E-Tendering & Government Procurement Complete Course. A separate purchase of this focused course is unnecessary when purchasing the complete course. Related ZELVU Business programmes are separate products; this course provides no cross-entitlement to them.

Who this is for

1. Basic computer, PDF and spreadsheet literacy. No real procurement account or DSC is required for these written simulations; real portal actions require the bidder's own authority and current official requirements.
2. Use the supplied fictional training records. Do not submit training data to real procurement portals or upload confidential bids, private keys, passwords, OTPs or bank details into the Course Tutor.
