Study plan

**Self-paced study with additional readings and project practice**

Learning format

**31 additional written readings are included in the existing programme. Accounting bridge plus current-scheme orientation, communication, economic/business environment, law and management readings, four original 100-mark sampled practice papers, and detailed cash-book/rectification case practice with two explained 20-mark tasks. The new accounting cases extend the earlier 56 published text readings to 58. From June 2026, Papers 1-3 are subjective and Paper 4 is OMR; earlier objective-format references are historical. These original practice sets do not reproduce an official question distribution. Not included in this addition: Complete current syllabus mastery or a calibrated official-format mock series; Live lectures, tutor marking, registration or examination fees; A current-law audit of every earlier lesson or official ICSI affiliation; Detailed tax/GST accounting and framework-specific prior-period reporting treatment.**
