Programme overview

2 academic years + prescribed practical training · D.Pharm. diploma. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. D.Pharm. is a diploma, not a three-year bachelor's degree. PCI specifies additional practical training; the LMS does not provide or certify it. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

- 1 D.Pharm. is a diploma, not a three-year bachelor's degree. PCI specifies additional practical training; the LMS does not provide or certify it.
- 2 The duration describes the standard full-time qualification route, not the number of months purchased on ZELVU. University paper names, semester order, electives, admission rules and batch-specific regulations must be checked separately.

Published topics and learning focus

- 1 Year 1: Human anatomy and physiology; Pharmaceutical chemistry; Pharmaceutics; Biochemistry
- 2 Year 2: Pathophysiology; Pharmaceutical analysis; Microbiology; Pharmacognosy

Before you choose

- 1 These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
- 2 ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
- 3 Current checkout terms and refund policy apply. Payment and access require successful provider verification.
