COURSE BROCHURE

Figma for Web UI Design

Diploma, Vocational & Skills / Computing & Software Skills

One-time full-course fee

INR 1,499

Access

12 months course access

Study plan

Suggested 6-8 weeks; self-paced

Learning format

Self-paced written LMS lessons, practical assignments and answered self-checks

Programme overview

Design website interfaces using frames, auto layout, reusable components, responsive prototypes, usability checks and developer handoff. Written workshops and practical briefs; use an eligible free account or your own licence.

Who this is for

1. Beginners and practising learners building a website-design portfolio.
2. A computer, modern browser and time for practical assignments; external software, hosting and domain costs are excluded.

Published topics and learning focus

1. Figma Workshop 1 - Brief, Frames, Grids and Responsive Auto Layout
2. Figma Workshop 2 - Components, Variants, States and Design Tokens
3. Figma Workshop 3 - Prototypes, Accessible Interaction and Usability Testing
4. Figma Workshop 4 - Design-to-HTML Handoff and Portfolio Capstone
5. HTML: Document Structure, Semantic Elements, Links, Images and Forms
6. CSS: Selectors, the Cascade, Specificity and the Box Model

7 Responsive Design: Viewport, Mobile-First Media Queries, Flexbox and CSS Grid

8 Revision Notes: Web Accessibility Essentials (WCAG, Keyboard Access, Contrast and ARIA)

Before you choose

1 These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.

2 ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.

3 Current checkout terms and refund policy apply. Payment and access require successful provider verification.
