COURSE BROCHURE

Full-Stack Web Development

Diploma, Vocational & Skills / Computing & Software Skills

One-time full-course fee

INR 3,999

Access

12 months course access

Study plan

Self-paced study with additional readings and project practice

Learning format

9 additional written readings are included in the existing programme. A local Java web application connecting semantic browser UI, Spring MVC, Bean Validation, session authentication and CSRF, owner-scoped JDBC, H2 persistence, Flyway migrations, optimistic concurrency, real HTTP tests and browser/restart verification. 9 identical Java project lessons are shared across Java Programming, Full-Stack Web Development, Software Testing & Quality Foundations; compare lesson lists before buying overlapping programmes. Project prerequisites: Basic Java classes, records and exceptions; Basic HTML/JavaScript and HTTP; Basic SQL SELECT/INSERT/UPDATE; Ability to run terminal commands. Not included in this addition: Public deployment, HTTPS and account lifecycle not implemented or verified; External database and backup/restore drills not executed; No server idempotency for repeated task creation; No comprehensive Java ecosystem/framework career curriculum implied; No independent practical certification, load test or security audit.

Programme overview

Structured learning support for Full-Stack Web Development across Vocational, ITI & Employability Skills, with original reading notes, topic practice, revision and Tutor-led explanation. A local Java web application connecting semantic browser UI, Spring MVC, Bean Validation, session authentication and CSRF, owner-scoped JDBC, H2 persistence, Flyway migrations, optimistic concurrency, real HTTP tests and browser/restart verification.

Who this is for

1. Check the programme's academic or examination eligibility with Admissions

Published topics and learning focus

1. Published LMS lessons
2. Course Tutor support
3. Guided practice and revision

Before you choose

1. These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
2. ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
3. Current checkout terms and refund policy apply. Payment and access require successful provider verification.
