Programme overview

2 years · ANM programme. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. ANM is not a general three-year bachelor degree. Its prescribed practical and community training remains institutional. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

1. ANM is not a general three-year bachelor degree. Its prescribed practical and community training remains institutional.
2. The duration describes the standard full-time qualification route, not the number of months purchased on ZELVU. University paper names, semester order, electives, admission rules and batch-specific regulations must be checked separately.

Published topics and learning focus

1. Year 1: Human / comparative anatomy; Physiology and biochemistry; Professional terminology; Ethics and evidence literacy
2. Year 2: Pathology and microbiology; Mechanisms of disease; Discipline-specific foundational theory; Safety and communication

Before you choose

1. These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
2. ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
3. Current checkout terms and refund policy apply. Payment and access require successful provider verification.
