Programme overview

3 years · GNM programme. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. GNM and B.Sc. Nursing are different qualifications. This is academic support, not institutional clinical training. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

1. GNM and B.Sc. Nursing are different qualifications. This is academic support, not institutional clinical training.
2. The duration describes the standard full-time qualification route, not the number of months purchased on ZELVU. University paper names, semester order, electives, admission rules and batch-specific regulations must be checked separately.

Published topics and learning focus

1. Year 1: Human / comparative anatomy; Physiology and biochemistry; Professional terminology; Ethics and evidence literacy
2. Year 2: Pathology and microbiology; Mechanisms of disease; Discipline-specific foundational theory; Safety and communication
3. Year 3: Discipline-specific clinical theory; Community health; Research methods; Interpretation of published evidence

Before you choose

1. These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
2. ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
3. Current checkout terms and refund policy apply. Payment and access require successful provider verification.
