One-time full-course fee

INR 4,999

Access

12 months course access

Study plan

Qualification- and batch-specific academic years + required placement

Learning format

Online academic learning support - reading, Course Tutor and practice

Programme overview

Qualification- and batch-specific academic years + required placement. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. This is supplementary academic learning support, not admission to or award of a university degree. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

1. This is supplementary academic learning support, not admission to or award of a university degree.
2. Allied-health titles can denote different awards. BPT/BOT and other healthcare curricula may differ by admission batch and regulator. The four study sections organise available academic topics; they are not a claim that every award lasts four years. Confirm award, current curriculum, clinical phase and compulsory internship with the institution.

Published topics and learning focus

1. Year 1: Human / comparative anatomy; Physiology and biochemistry; Professional terminology; Ethics and evidence literacy
2. Year 2: Pathology and microbiology; Mechanisms of disease; Discipline-specific foundational theory; Safety and communication
3. Year 3: Discipline-specific clinical theory; Community health; Research methods; Interpretation of published evidence
4. Year 4: Advanced discipline theory; Quality and safety; Professional documentation; Institution-supervised project preparation

Before you choose

1. These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
2. ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
3. Current checkout terms and refund policy apply. Payment and access require successful provider verification.
