Programme overview

A structured written learning path covering IFRS 17 foundations, GMM and CSM, PAA, VFA, reinsurance held, reporting and the IFRS 9 interface, transition and implementation controls, with a separately identified Ind AS 117 India bridge. Includes the same 64 lessons and eight self-assessed capstones offered in the eight specialist courses. 64 self-paced written English lessons with worked calculations and cases, answered exercises, explained knowledge checks and eight self-assessed capstones. Existing automated Course Tutor assistance is available in the protected LMS. Independent ZELVU study material. No live human teaching, new recorded lecture series, individual professional review, software licence, external examination, accredited CPD credits or IFRS Foundation, ICAI, ACCA or actuarial qualification is included. Simplified fictional examples teach accounting methods; actual reporting requires the applicable standard, current jurisdiction-specific rules and appropriate professional judgement. Includes the same learning material as all eight IFRS 17 specialist courses in this collection, within this single course. Separate specialist purchases are unnecessary for this pathway. It does not grant separate paid-course entitlements or extend earlier purchases.

Who this is for
