Study plan

22 suggested study hours; 12 months access

Learning format

8 self-paced written English lessons with worked calculations and cases, answered exercises, explained knowledge checks and a self-assessed capstone. Existing automated Course Tutor assistance is available in the protected LMS.

Programme overview

Eight original written lessons on reinsurance scope, treaty mapping, grouping, recognition, cash-flow measurement, non-performance risk, risk transferred, CSM, loss-recovery components, PAA, presentation and a self-assessed integrated capstone. Simplified original examples state all modelling assumptions. 8 self-paced written English lessons with worked calculations and cases, answered exercises, explained knowledge checks and a self-assessed capstone. Existing automated Course Tutor assistance is available in the protected LMS. Independent ZELVU study material. No live human teaching, new recorded lecture series, individual professional review, software licence, external examination, accredited CPD credits or IFRS Foundation, ICAI, ACCA or actuarial qualification is included. Simplified fictional examples teach accounting methods; actual reporting requires the applicable standard, current jurisdiction-specific rules and appropriate professional judgement. This specialist course is also included in the IFRS 17 Complete Learning Path; choose the pathway or this focused course to avoid purchasing overlapping material.

Who this is for

1. IFRS 17 foundations plus working knowledge of the general measurement model and onerous groups. Familiarity with quota-share and excess-of-loss contracts is helpful but explained in the course.
2. Study using fictional or authorised non-confidential data.

Published topics and learning focus

1. Map treaty scope, grouping and boundaries
2. Recognise reinsurance at the correct date
3. Measure recoveries and non-performance risk
4. Net cost, net gain and reinsurance CSM
5. Recover losses on onerous underlying contracts
6. Subsequent CSM movements and PAA reinsurance
7. Present and reconcile reinsurance held
8. Reinsurance capstone: gross, held and loss recovery

Before you choose

1. These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
2. ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
3. Current checkout terms and refund policy apply. Payment and access require successful provider verification.
