Merchant Navy & Maritime Preparation / IMU-CET Entrance Preparation

One-time full-course fee

INR 1,499

Access

12 months course access

Study plan

8-10 weeks suggested practice; self-paced

Learning format

29 listed written lessons with practice and self-assessment. Selected undergraduate technical IMU-CET foundations in mathematics, physics, chemistry, English and general aptitude. Twenty-six teaching units plus an orientation and two explained 40-question papers cover model choice, worked calculations, error checking and practice transfer. All examples and questions are original. The map identifies unfinished topics; this is not a complete examination-syllabus claim. Project prerequisites: Comfort with secondary-school algebra, fractions, units and scientific notation.; Ability to read instructional English; use the explanations and error log before timed practice.; Check programme-specific admission conditions directly with the current official institution; purchase does not establish eligibility.. Not included: Selected undergraduate technical entrance foundations; complete IMU-CET or Plus-2 syllabus mastery is not verified. The coverage map lists further study in every subject.; No MBA/M.Tech CET, BBA admission, lateral-entry, Navy INET, company sponsorship interview or maritime officer competency curriculum.; No live/recorded instructor classes, classroom sessions, official-format test simulator, calibrated extensive question bank, current-affairs feed or individual human marking.; No medical/eyesight clearance, shipboard/practical competence, admission eligibility decision, guaranteed rank/placement, or official IMU affiliation.; No confirmed 2027 timetable or future marking/section-allocation promise; recheck the current official admission notice..

Programme overview

Original self-paced undergraduate technical entrance preparation:29 written lessons spanning selected PCM, English and aptitude foundations, with worked examples, answered practice and two 40-question teaching papers. Full-syllabus coverage is not yet verified.
