Study plan

8 weeks suggested study; self-paced

Learning format

20 listed written lessons with practice and self-assessment. Twenty original written lessons in six modules teach current Indian statutory interpretation, maritime zones, party/document analysis, charter arithmetic, bills/cargo duties and limits, insurance warranties and loss, salvage/general-average allocation, collision evidence, arrest/liens/priority, forum issues, labour, safety, pollution and ports. Includes a 100-mark fictional case file and 100-mark explained assessment. This is a bounded independent legal-study course, not an exhaustive university or professional maritime curriculum. Not included: No university affiliation, recognised credit/degree, maritime officer/STCW qualification, licence to practise law or seafarer medical/competency clearance.; No live or recorded instructor teaching, classroom session, individual human assessment, supervised litigation, shipboard practice, navigation, salvage operation or operational compliance certification.; No complete university-specific Maritime Law syllabus, exhaustive current case-law digest, port-by-port licensing manual, advanced charter-form drafting, full average adjustment or real-claim deadline/coverage opinion.; Specific treaty participation, vessel applicability, local court procedure, current subordinate instruments and actual contracts require case-specific verification; no guaranteed legal result or admission/placement outcome.; Specialised tax/customs, sanctions, ship finance, marine biodiversity, detailed international dispute case law and extensive advanced problem banks remain further study..

Programme overview

Twenty original written lessons on current Indian maritime statutes, cargo, insurance, admiralty, labour and ports, with worked calculations, a case file and explained assessment. Independent study; no university credit or professional qualification.
