

COURSE BROCHURE

JEE Main Crash Course - PCM Revision & Practice

[Entrance & Admission Tests / Engineering Entrance](#)

One-time full-course fee

INR 1,499

Access

6 months course access

Study plan

**23 written readings with practice;
self-paced**

Learning format

All 23 listed written readings are available. Self-paced reading, explained practice and AI Course Tutor support; no live classes, personal human marking, laboratory sessions or full-length CBT simulator. Related JEE bundles and subject courses share PCM material; compare the lesson lists before buying overlapping courses. Revision route with selected core revision readings, targeted completion workshops and 60 original answered diagnostic questions. Prior PCM study is required.

Programme overview

Revision route with selected core revision readings, targeted completion workshops and 60 original answered diagnostic questions. Prior PCM study is required. All 23 listed written readings are available. Self-paced reading, explained practice and AI Course Tutor support; no live classes, personal human marking, laboratory sessions or full-length CBT simulator. Related JEE bundles and subject courses share PCM material; compare the lesson lists before buying overlapping courses. Revision route with selected core revision readings, targeted completion workshops and 60 original answered diagnostic questions. Prior PCM study is required.

Who this is for

- 1 For learners seeking independent engineering-entrance preparation; examination eligibility is decided by the official authority.
- 2 Minor learners need a parent or guardian to manage account and purchase decisions.
- 3 No affiliation with NTA, IITs or examining universities; no rank, admission or seat guarantee.
- 4 Combined, dropper, crash and subject routes reuse readings. Choose one appropriate route and compare overlap.

Published topics and learning focus

- 1 physics: revision and answered practice
- 2 chemistry: revision and answered practice
- 3 mathematics: revision and answered practice
- 4 Measurement, materials, electronics and experimental reasoning
- 5 Purification and practical chemistry
- 6 PCM diagnostic practice with solutions
- 7 Study planning and current examination checks

Before you choose

- 1 These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
- 2 ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
- 3 Current checkout terms and refund policy apply. Payment and access require successful provider verification.
