Self-paced LMS reading, Course Tutor support and practice

Programme overview

A two-session live online workshop for practising advocates and law-firm teams on using AI tools safely for legal research, drafting, translation and client intake - with a citation-verification protocol and demonstrations on dummy matters only.

Who this is for

1. Check the programme's academic or examination eligibility with Admissions

Published topics and learning focus

1. Published LMS lessons
2. Course Tutor support
3. Guided practice and revision

Before you choose

1. These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
2. ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
3. Current checkout terms and refund policy apply. Payment and access require successful provider verification.
