Programme overview

3 years · 6 semesters · graduate-entry LL.B.. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. The three-year LL.B. requires an eligible prior bachelor's degree. It is not a three-year law programme directly after Class 12. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

- 1 The three-year LL.B. requires an eligible prior bachelor's degree. It is not a three-year law programme directly after Class 12.
- 2 The duration describes the standard full-time qualification route, not the number of months purchased on ZELVU. University paper names, semester order, electives, admission rules and batch-specific regulations must be checked separately. The reference sequence is a ZELVU study arrangement, not a declaration that every university follows the Delhi syllabus or the same examination schedule.
