Programme overview

Supplementary academic support for Master of Science (MSc) - Home Science, with structured concept notes, topic-wise practice, revision and Course Tutor guidance. The underlying degree, credits, examinations and award remain controlled by the learner's recognised institution.

Who this is for

1. Verify the current university, admission eligibility, syllabus and semester structure before enrolment.
2. ZELVU Education provides supplementary academic support and does not award the underlying degree or academic credits.

Published topics and learning focus

1. Home Science: foundations and core concepts
2. Home Science: methods, measurement and evidence
3. Quantitative reasoning, data interpretation and problem solving
4. Laboratory, field, clinical or computational practice as applicable

5 Applications, interdisciplinary links, safety and ethics

6 Advanced research reading, project/dissertation planning and revision

Before you choose

1 These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.

2 ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.

3 Current checkout terms and refund policy apply. Payment and access require successful provider verification.
