Programme overview

Understand deck, engine and rating career pathways; check an institute and its exact approved course; compare costs and conditions; revise basic numeracy, science and English; prepare a personal application checklist. Eight self-paced written lessons in English, worked examples, exercises and 40 explained assessment questions. Read-aloud scripts and self-review where relevant; live classes, recorded lectures and personal instructor feedback are not included. ZELVU provides online preparation and career-learning materials. These courses do not award an IMU degree, approved pre-sea or STCW qualification, INDoS, CDC or sea-time credit. Shipping-company sponsorship, admission, medical clearance and placement are not included or guaranteed. Each course has its own original lessons. Career-verification and communication themes recur across the range; compare the lesson lists before buying multiple courses.

Who this is for
