Programme overview

Prepare truthful application and interview evidence, practise numerical and logical reasoning, research shipping-company requirements and review your answers with a structured rubric. Eight self-paced written lessons in English, worked examples, exercises and 40 explained assessment questions. Read-aloud scripts and self-review where relevant; live classes, recorded lectures and personal instructor feedback are not included. ZELVU provides online preparation and career-learning materials. These courses do not award an IMU degree, approved pre-sea or STCW qualification, INDoS, CDC or sea-time credit. Shipping-company sponsorship, admission, medical clearance and placement are not included or guaranteed. Each course has its own original lessons. Career-verification and communication themes recur across the range; compare the lesson lists before buying multiple courses.

Who this is for

1. Introductory independent study in English; a parent or guardian should manage a minor learner's account and purchase.
