Study plan
Semester / qualification aligned

Learning format
Self-paced LMS reading, Course Tutor support and practice

Programme overview

Semester-aligned learning support for a recognised diploma pathway in Instrumentation Engineering, including theory, calculations, drawing/design, laboratory concepts and examination revision.

Who this is for

1. Polytechnic and diploma learners; the State Board, institution and AICTE-aligned nomenclature/syllabus must be verified

Published topics and learning focus

1. Original structured reading material
2. Topic-wise practice and revision
3. Full-screen visual board with live captions
4. OpenAI-powered Course Tutor

Before you choose

1. These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
2. ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
3. Current checkout terms and refund policy apply. Payment and access require successful provider verification.
