Programme overview

Usually 1 year · specialty-specific post-basic diploma. Year-wise / professional-phase study plans, original foundation workshops, answered practice and available protected LMS readings. This is supplementary academic learning support, not admission to or award of a university degree. The published 12-month LMS access is not the degree duration. Complete university-specific syllabus coverage is not yet certified.

Who this is for

1. This is supplementary academic learning support, not admission to or award of a university degree.
2. Confirm the exact post-basic nursing specialty and INC-approved institution. A collective pathway title is not a specific diploma award.

Published topics and learning focus

1. Year 1: Human / comparative anatomy; Physiology and biochemistry; Professional terminology; Ethics and evidence literacy

Before you choose
