<div>Study plan</div> <div>Self-paced theory and written practice; 12 months access</div>	<div>Learning format</div> <div>11 listed written lessons with practice and self-assessment. Reach-truck geometry, capacity at height, narrow aisles, pallet compatibility, racking and supervised conversion preparation. All 11 listed written lessons, worksheets and answered self-assessments are included. 7 foundation readings overlap related courses; compare outlines before buying. Online theory and self-assessment only. No practical driving, workplace assessment, operator licence, employer authorisation, accredited qualification or job placement is included. Do not operate equipment on the strength of this course. 7 readings are shared with related courses; compare lesson lists before buying overlapping programmes. Not included: Hands-on machine operation, practical assessment and workplace authorisation; Operator licence or accredited NSDC, LSC, NCVET, OSHA or other qualification; Live classes, equipment hire, job placement and machine-specific repair or rescue training.</div>

Programme overview

Reach-truck geometry, capacity at height, narrow aisles, pallet compatibility, racking and supervised conversion preparation. Online theory only; practical training and assessment are separate.

Who this is for

- 1 Intended for adult learners aged 18+; basic reading and numeracy are needed.
- 2 Read the theory-only scope before purchase. Actual operating eligibility and fitness must be checked separately.
- 3 Related courses share foundation readings; choose the course matching your equipment.
- 4 Not included: Hands-on machine operation, practical assessment and workplace authorisation
- 5 Not included: Operator licence or accredited NSDC, LSC, NCVET, OSHA or other qualification
- 6 Not included: Live classes, equipment hire, job placement and machine-specific repair or rescue training

Published topics and learning focus

- 1 Reach mechanisms and capacity at height
- 2 Narrow aisles, racking and floor suitability
- 3 Reach-truck task analysis and conversion preparation
- 4 Cumulative self-assessment and practical-training handoff

Before you choose

- 1 These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
- 2 ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
- 3 Current checkout terms and refund policy apply. Payment and access require successful provider verification.
