COURSE BROCHURE

Warehouse Pedestrian, Loading Dock & Material Handling Safety

Diploma, Vocational & Skills / Vocational - Forklift & Warehouse Safety

One-time full-course fee

INR 1,499

Access

12 months course access

Study plan

Self-paced theory and written practice; 12 months access

Learning format

9 listed written lessons with practice and self-assessment. Warehouse traffic separation, visiting drivers, receiving/dispatch coordination, docks, housekeeping and safety-review worksheets. All 9 listed written lessons, worksheets and answered self-assessments are included. 5 foundation readings overlap related courses; compare outlines before buying. Online theory and self-assessment only. No practical driving, workplace assessment, operator licence, employer authorisation, accredited qualification or job placement is included. Do not operate equipment on the strength of this course. 5 readings are shared with related courses; compare lesson lists before buying overlapping programmes. Not included: Hands-on machine operation, practical assessment and workplace authorisation; Operator licence or accredited NSDC, LSC, NCVET, OSHA or other qualification; Live classes, equipment hire, job placement and machine-specific repair or rescue training.

Programme overview

Warehouse traffic separation, visiting drivers, receiving/dispatch coordination, docks, housekeeping and safety-review worksheets. Online theory only; practical training and assessment are separate.

Who this is for

1. Intended for adult learners aged 18+; basic reading and numeracy are needed.
2. Read the theory-only scope before purchase. Actual operating eligibility and fitness must be checked separately.
3. Related courses share foundation readings; choose the course matching your equipment.
4. Not included: Hands-on machine operation, practical assessment and workplace authorisation
5. Not included: Operator licence or accredited NSDC, LSC, NCVET, OSHA or other qualification
6. Not included: Live classes, equipment hire, job placement and machine-specific repair or rescue training

Published topics and learning focus

1. Designing separation between people and trucks
2. Receiving and dispatch: coordination across employers
3. Housekeeping, manual handling and a warehouse safety review
4. Cumulative self-assessment and practical-training handoff

Before you choose

1. These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
2. ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
3. Current checkout terms and refund policy apply. Payment and access require successful provider verification.
