Study plan

24 suggested study hours; 12 months access

Learning format

Six self-paced written lessons in English with worked examples, exercises, explained answers and a capstone with a self-assessment rubric. Optional automated Course Tutor assistance is available in the protected LMS.

Programme overview

Calculate and compare supplied transit windows, secondary progressions, solar arcs and return-chart timings, then prepare a transparent study journal. Covers foundational method literacy rather than predictive guarantees or advanced primary directions. Six self-paced written lessons in English with worked examples, exercises, explained answers and a capstone with a self-assessment rubric. Optional automated Course Tutor assistance is available in the protected LMS. Study of traditional and symbolic interpretive methods. Astrological predictions are not scientifically established. No live human classes, personal chart consultation, individual human marking, recorded lecture series, software licence, external accreditation or guaranteed outcome is included. Examples use fictional or supplied data; this course does not provide medical, financial or legal advice. Builds on Western Natal Chart Reading. Vedic dasha methods and advanced primary directions are separate systems and are not substituted here.

Who this is for

1. Western natal-chart foundations, zodiac longitude conversion and basic aspect arithmetic.
2. Use fictional or explicitly consented chart data; keep personal birth details private.

Published topics and learning focus

1. Transit data, time scales and interpolation
2. Transit windows, repeated contacts and readable timelines
3. Secondary progressions: the day-for-year mapping
4. Solar-arc directions and return charts: two different constructions
5. A transparent forecasting journal and method comparison
6. Capstone: build a mixed-method timing dossier

Before you choose

1. These are published programme highlights, not certification of complete syllabus coverage. Review the available reading index and programme trial before enrolling.
2. ZELVU provides learning support. It does not award the underlying degree, professional registration or an examination result.
3. Current checkout terms and refund policy apply. Payment and access require successful provider verification.
