Programme overview

Read supplied tropical natal charts using longitude conversion, whole-sign and equal-house comparisons, major aspects, traditional sign rulers and a structured interpretive report. This is cultural and symbolic study, not scientifically validated personality assessment or prediction. Six self-paced written lessons in English with worked examples, exercises, explained answers and a capstone with a self-assessment rubric. Optional automated Course Tutor assistance is available in the protected LMS. Study of traditional and symbolic interpretive methods. Astrological predictions are not scientifically established. No live human classes, personal chart consultation, individual human marking, recorded lecture series, software licence, external accreditation or guaranteed outcome is included. Examples use fictional or supplied data; this course does not provide medical, financial or legal advice. A Western-system foundation, separate from ZELVU's Vedic/Kundali programmes. Later forecasting and relationship courses assume these calculation skills.

Who this is for

1. No prior Western astrology required; comfortable with basic arithmetic and reading tables.
2. Use fictional or explicitly consented chart data; keep personal birth details private.

Published topics and learning focus

1. Chart data, zodiac longitude and a reproducible calculation record
2. Planets, signs and houses without mixing their roles
3. Aspect geometry, orbs and applying versus separating contacts
4. Rulership, dispositors and a disciplined emphasis hierarchy
5. From separate placements to a coherent, limited natal reading
6. Capstone: calculate, audit and explain a complete introductory natal chart

Before you choose
